The facts of the case are clearly given in the Dy Comm's letter no: 548 dt 22-12-02 and in the Rev Comm's order no: 6530 dt 26-12-02. It would appear that in the year 1821 certain lands in the Komattur village including the tank bed were granted by His Highness the late Maharaja Krishnaraja Wodayar

to the Sagalies, the succession of the Chiefs descendants. The conditions of the grant are stated to be ~~[illegible]~~ unknown. In 1884 some forest trees on the land were sold and the purchaser applied for license to cut and remove them, but it was not granted as the land on which the trees stood was found by the P.W.D. to be within the water spread of the tank. In 1885 Patamma the present petitioner, as agent of the Chiefs descendants, claimed the land but the then Agent the Rev. Sathianadha Rao rejected the claim on the ground that no proprietary rights prejudicial to the safety of the tank could be allowed or recognized in lands which are tank beds or near tank beds. The documents relied on by Patamma, it is stated, are (1) an

extract from the old chitta of 1818-19 & 1821-22, (2) the old Vattuvari account of the year 1844-45 and (3) copy of Paimaishi Patti of the year 1853. Of the 3 documents the first gives only the survey of the land in question. The 2nd & 3rd are stated to give the Bijavari of the Kanial as well as the Tankbed: the Vattuvari of 1844-45 gives it as 11-4-13 = 148-20; and the Paimaishi Patti of 1853, 16-12 = 219. The petitioner explains the former as Patta Bijavari and the latter as representing the extent in actual possession. In 1894 Paparma purchased the lands from the Col. Desarajus. In the Survey Settlement which took place in 1894-95 92 acres and 20 gunlas of land out of the Patta Bijavari of 148-20 were confirmed to Paparma on dry assessment

No. 621.

Office of the Revenue Commissioner in Mysore.

Dated Bangalore, 29 April 1904.

Endorsement granted to Heggadadevankote Papanna residing in Chamarajpet, Mysore, in reply to his petition addressed to His Highness the Maharaja dated 25th October 1902 appealing against the order of the Deputy Commissioner Mysore District, directing that the petitioner is not entitled to any relief in the matter of his claim for compensation for certain lands in the Ummathur tank bed, Chamarajnagar Taluk, which have been alleged to belong to the petitioner.

@@@@@@@@@@@@@@@@@@@@

The petitioner is informed that there seems to be no reason to interfere with the Deputy Commissioner's (Mr. H. Ramanujiengar's) order appealed against. The most favourable consideration which the case admits of is to allow him the right of free grazing in the tank bed when the tank is dry. If the petitioner consents to abide by this, a recommendation can be made to Government for approval and sanction.

Appeal is rejected.
